When you visit Black Point Estate & Gardens you step up to the original American dream. Take in a veranda view and see how Chicago beer baron Conrad Siepp’s success was reflected in his ornate Queen Anne Victorian summer home and lifestyle on Geneva Lake.

• Reservations are required for either option.
• Tour one of the finest examples of Queen Anne architecture and view one of the most intact collections of Victorian furnishings in the Midwest.
• View an ever changing perennial garden complete with a Victorian fountain.
